SAVE MOSELEY ROAD BATHS

‘THE SWIMMERS POOL’

Moseley Road Baths our local pool has served the swimmers of south Birmingham for 100 years. Thousands of schoolchildren have learnt to swim here. This beautiful Edwardian pool is under threat unless money is found from local and national sources for essential repairs and restoration. We the undersigned support the campaign to:

- Reopen and maintain **both** pools at Moseley Road baths and believe that two pools are essential to meet the needs of the local and wider community.
- Keep the swimming baths as a publicly owned facility for the people of Birmingham
- Preserve historic and architectural aspects of the building whilst finding use for currently unused areas of the building.

We urge our political representatives at all levels to do everything in their powers to ensure the above takes effect.
